

Welcome to our South Australian

Ports of Call

An aerial photograph of a coastline. The top portion shows a rocky shore with light-colored, rounded boulders. Below the rocks, the water is a vibrant turquoise color, with white foam from waves crashing against the shore. In the lower half of the image, a small boat is moving across the water, leaving a long, white wake that extends towards the bottom of the frame. The overall scene is serene and natural.

Acknowledgment of Country

Flinders Port Holdings acknowledges the Traditional Owners of the land and waterways on which we operate, and pays respect to Elders past, present and emerging.

We're working towards reconciliation and engaging with Traditional Owners is a critical part of business on an acute port and local community level, but also on a far greater scale, contributing to the growth of unity between Aboriginal and Torres Strait Islander peoples and non-Indigenous peoples across Australia.

We acknowledge that our business operations spread across six Aboriginal and Torres Strait Islander lands. These are Kurna, Bangarla, Narangga, Nawu, Wirangu and Nukunu.

Welcome to South Australia

*Our vision is to connect
South Australia to the world,
and how we do that safely,
efficiently, sustainably, and
ethically is what drives us
at Flinders Port Holdings.*

Our values of honesty, integrity, respect and dignity guide what we do to achieve our mission which is to be an industry leader in providing safe, innovative, and sustainable port related infrastructure, capabilities and services that enable, optimise and maximise tourism for South Australia.
